

CHESTERFIELD FC  
**FOOTBALL  
& EDUCATION**  
PROGRAMME

BTEC Level 3  
Extended Diploma  
in Sport  
**Course Prospectus  
2018/2019**

## ● ABOUT THE COURSE

The course has been designed as a partnership between Chesterfield FC Community Trust and Outwood Academy Newbold to give students with a passion for football, sport and education the opportunity to learn and play football at the same time.

Students will study full time within the Sixth Form at Outwood Academy Newbold where a top class education will be assured with the schools motto 'Students First' at the heart of everything they do. Alongside their education, students will represent Chesterfield FC, competing in a league against other professional clubs and training on a daily basis with the Trust's FA/UEFA qualified coaches.

## ● COURSE CONTENT

Students will undertake 14 units of work including coursework and exam assessments over a two year period. The course is full time with students required to attend all lessons and complete work on time in order to play in the fixtures. Upon completion, the course is equivalent to 3 A levels enabling the students to progress on to University, Higher Education or a Foundation Degree with Chesterfield FC Community Trust.

## ● LOCATIONS

**EDUCATION** – All studies will be based at Outwood Academy Newbold, using the state of the art classrooms that the school has on site.

**TRAINING** – Training sessions will take place at Outwood Academy Newbold using the grass and astro turf pitches available on site.

**FIXTURES** – Home games will be played at Glapwell Stadium, allowing the students to experience playing within a stadium environment.

**GYM/RECOVERY** – Students will have free access to the Gym and Hydro Therapy Pool at The Hub at the Proact Stadium 7 days a week as well as access to a physio.

## ● CAREER OPPORTUNITIES

Upon completion of the course, students will be faced with a range of options supporting them to have a future within the sports industry. Dependant on final grades, students will be able to go into higher education at university where ideal courses may include a degree in Sports Development, Sports Coaching or PE and School Sport.

Should students wish to stay involved in the professional football club environment then Chesterfield FC Community Trust offer a Foundation Degree where students can study for a further two years whilst completing a full time work placement within the football club.

All students will also be offered the opportunity to undertake their Level 1 coaching qualification which will enable them to apply for paid coaching work with Chesterfield FC Community Trust when they finish the course.
